Hi there,

Since you are preparing for your Erasmus, here are a few things we would like to share with you.
Did you know that every year over **30 million €** are lost in student housing frauds?

Many **students fall for housing frauds** because of:
- Lack of information
- Language barrier
- Little understanding of rental process in host city.

How can you avoid accommodation fraud?
These are the 4 bullet points to keep in mind:

1. **Start your search as soon as possible**. With your host city in mind don't wait till last minute to start searching, you will be left with nothing but bad options.
2. **Recheck the location and amenities** you want in your accommodation.
3. **Avoid bargains**, if it looks too good to be true, then it is too good to be true. Don't send money overseas to normal accounts.
4. **Use secured booking platforms.**
