**DEAR FRIENDS OF THE ACADEMY OF MUSIC
OF THE UNIVERSITY OF LJUBLJANA,
DEAR MUSIC LOVERS!**

This academic year is marked by anniversaries. The year 1919 saw the establishment of the University of Ljubljana, and soon the celebration of the 100th anniversary will take place. Furthermore, the formation of the State Conservatory of Music set the ground for higher music education in Slovenia. Twenty years later, in 1939, the Academy of Music was established, whose 80th anniversary has recently been celebrated in the Gallus Hall of Cankarjev Dom in Ljubljana.

Likewise, the concert season of the Academy of Music will be strongly marked by the events connected with the celebration of important anniversaries. Our ensembles and students will play a key role in the 100th anniversary event of the University of Ljubljana. In addition to subscription concerts, the concert season will feature concerts, seminars and other events organized by different departments and studios of the Academy. We believe it will be a particularly rich and diverse one.

Despite all the celebrations and anniversaries, we will continue to offer subscription concerts. Our students and professors will present themselves in two subscription concert series: *Tutti and Solo e da camera*.

We are extremely pleased that we will extend our collaboration with notable Slovenian music and cultural institutions: the Slovenian Philharmonics, Radio-Television of Slovenia, the Ljubljana Slovenian National Theatre Opera and Ballet, and the Maribor Slovenian National Theatre. We are thankful for all the opportunities they give our young artists, thereby enriching our academic programme and experience of our students.

This year we are starting a new collaboration with the National Gallery, which will serve as a venue for some concerts of the *Solo e da camera* series during long-awaited renovations of the Casino Building.

Finally, I would like to thank you, our dear audience. Thank you for supporting us with your donations. Thank you for your interest in our work. We organize concerts for you, to add variety and beauty to your day-to-day activities. We hope we are doing a good job. We will work with love, commitment and passion to continue doing so.

Prof. Marko Vatovec,
Dean of the Academy of Music of the University of Ljubljana
