

STUDENT HEALTH CENTRE

All international students in Slovenia have access to the public healthcare system. If you have medical issues, you should contact the **Student Health Centre of the University of Ljubljana** (Zdravstveni dom za študente Univerze v Ljubljani – ZDŠ), which offers health services in the following areas:

- general practice and family medicine
- dentistry
- gynaecology and obstetrics
- clinical psychology
- psychiatry
- diagnostic laboratory

ZDŠ is located in Ljubljana at Aškerčeva cesta 4, between the Faculty of Arts and the Faculty of Mechanical Engineering.

What to do if:

... you can't breathe or you are bleeding heavily?

Immediately call 112.

... you've broken your arm?

Go to the nearest emergency centre.

... you've had a high fever for 3 days?

Contact ZDŠ.

... you need a regular gynaecological check-up?

Contact ZDŠ.

WHAT TO BRING WITH YOU

Before coming to Slovenia you should make sure you have:

- appropriate health insurance documentation
- large enough supply of any prescription medications that you need (*including birth control*)

If you have any chronic medical conditions or other healthcare needs, please bring all relevant medical documents with you (e.g. test results and medical reports, information about prescribed treatment).

If your situation is not an emergency, contact ZDŠ instead. At the emergency department you have to pay yourself for all non-emergency medical services.

HEALTH INSURANCE

If you have health insurance in:	What do you have to do and what do you get?
EU, Iceland, Liechtenstein, Norway, Switzerland, United Kingdom	Have a valid European Health Insurance Card (EHIC) , or a certificate that serves as a substitute for it. Some services are free ; for others there is usually a copayment of €3–10 per visit. ^{1,2}
Australia	Have a valid Medicare card and passport. Some services are free ; for others there is usually a copayment of €3–10 per visit. ^{1,2}
Bosnia and Herzegovina, Montenegro, North Macedonia, Serbia	1. Get the BIH/SI 3 or MNE/SI 03 or SRB/SI 03 or RM/SI 3 form in your home country , from the institution that provides your health insurance. 2. Submit the form to the Health Insurance Institute of Slovenia (Mala ulica 3, Ljubljana), which will issue your MedZZ certificate . Your insurance is not valid without the certificate. Some services are free ; for others there is usually a copayment of €3–10 per visit. ^{1,2}
Other countries	Buy health insurance from a private insurance company in your home country or in Slovenia. Depending on the type of insurance, you usually pay €20–50 per visit ² and then ask for a refund from your insurance company.
Students without health insurance	You pay for healthcare services yourself (usually €20–50 per visit). ²

¹ *Services are free if there is a negative change in your health (determined by the doctor).*

² *Prices based on ZDŠ averages. You can pay by card or in cash.*
